## PRESS RELEASE

### Dynamic Global Events (DGE) Announces Partnership with Healthcare Businesswomen's Association (HBA)

July 14, 2022: Dynamic Global Events (DGE) announced today that they are partnering with the Healthcare Businesswomen's Association (HBA) for the 9<sup>th</sup> Advancing Women's Leadership Skills & Opportunities in Pharma & Healthcare Conference (AWLC). The 9<sup>th</sup> Advancing Women's Leadership Conference will be held in-person for the first time since 2020, and is taking place in Philadelphia, PA at the Inn at Penn.

The 9<sup>th</sup> Advancing Women's Leadership Conference is the original and largest biopharma event devoted to career growth and work-life balance among women leaders. The Conference will spotlight thought leadership, speaking presentations, and networking events from organizations including GSK, Johnson & Johnson, Merck, Takeda, and more. There are 29 confirmed speakers as of July 2022. DGE and HBA have previously partnered for the 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup>, and now 9<sup>th</sup> iterations of the Women's Conference.

"HBA's purpose is to further the advancement and impact in the business of healthcare," said Nancy White, Senior Director, Communications, HBA. "That's why the HBA is proud to partner with DGE for another year. The Advancing Women's Leadership Conference is an opportunity for women in the industry to come together and excel their career growth. We can't wait for the event!"

"The 9<sup>th</sup> Advancing Women's Leadership Conference will be an inspiring opportunity for women in the pharmaceutical and healthcare industries to learn from one another. I am honored to direct an event that is defining the future generation of leaders!", explained Jenna Kippert, Senior Event Producer, Dynamic Global Events."

Dynamic Global Events (DGE) is the Life Sciences Leader in providing B2B virtual, hybrid, and in-person events. DGE's educational events are in the Pharmaceutical, Biotechnology, Healthcare, Medical Device, and allied industries.
